Subject: **International Sanitation Industry Announcement Press Release**

Ronald G. Underwood, Chairman and CEO of AFIELD Investments Inc., an UNDERWOOD GROUP OF COMPANIES affiliate, is pleased to announce the acquisition of the **TUNDRA™ Business** division of Akron, Ohio from Imperial Electric Company of Japan as of July 15, 2014. This all-cash investment includes the intellectual property, trademarks, tooling, inventories and their world-wide dealer network.

The **TUNDRA™ Business** comprises an extensive full-line of premium Floor Care Machines developed with new advanced technology to high quality specifications for long term reliability and durability. This premier equipment providing superior performance marks the leading edge of the current market trend responding to customers demand for quality over disposable and underperforming products.

The **TUNDRA™ Business** includes the Tundra™, Tusk™, TL and Thor floor machine lines. Please see page 3 for product features and benefits.

The **TUNDRA™** equipment line-up has 20 models from 13" up to 20" floor machines to various Heavy Duty Stone Care machines to a high gloss Burnisher. These machines are available in 120 volt and 230 volt electrical systems together with ETL certifications.

These pre-eminent machines are available through UNDERWOOD GROUP OF COMPANIES affiliates in the USA, through BOSS Cleaning Equipment Company of Tampa, Florida (formerly Pullman-Holt Corporation) and in Canada/internationally through MICHAEL'S Equipment Ltd. of Paris, Ontario.

AFIELD Investments continues to make strategic investments in the North American Sanitation Industry to augment the breadth and depth of proprietary products for its group's affiliates. AFIELD Investments Inc., the UNDERWOOD GROUP OF COMPANIES merchant banking subsidiary constantly reviews potential acquisitions, investments and divestiture opportunities related to this industry.

T20 Dual T20 Burnisher T20 Super Heavy T17 Heavy T13 Pro

with safety lock switch 50' yellow power cord Polished aluminum and chrome all metal construction

These engineered benefits and features result in:

- Powerful direct drive motor
- Solid one piece cast base assembly
- Polished aluminum and chrome all metal construction
- Ergonomic stainless steel handles adjustable at operator hand height with safety lock switch
- Quick release 50' safety yellow power cord
- Ergonomics - improved productivity through better operation
- Reliability - high quality motor and components with durable construction
- Versatility - adaptable to a variety of cleaning tasks
- Simple to use - improved operator efficiency
- Safety - optimal operator safety and comfort
- Efficiency - the motor and gear assembly effectively transfer power directly to the floor pad while seamlessly maintaining floor speed and avoiding the noise and vibration levels typically experienced by competitor's offerings

Tusk™ Series Specifications

	Pad size	Motor HP	Motor Frame	Motor Cooling	Rated Voltage	Pad Speed	Clutch Plate	Weight	Gearbox
T13 Pro	13"	1.0	66	open	120 @ 60 hz	175	NP 92	102 lbs	2-planet
T17 Pro	17"	1.5	66	open	120 @ 60 hz	175	NP 92	123 lbs	3-planet
